Supporting local community

As part of Hurghada community Baron Palace Sahl Hasheesh is aware of its influence and responsibility towards the people and institutions around us. Therefore, we are committed to support and improve Hurghada community by being integrated in the following projects:

MAKING VOLUNTARY CONTRIBUTION TO LOCAL CHARITIES

Supporting Orphan Houses

Every child should have a family and safe place to live– for many children, however, the reality is quite different. The death of their parents rob many children of the right to a loving family. We believe that supporting orphans gives a second chance at having a loving family. Supporting orphans allows children to enjoy the beauty and blessings of being raised in a nurturing family environment, and in being raised with parents who pledge their unconditional love and protection. Indeed, this support is a journey of mercy to ease the plight of orphans. It is with these thoughts and beliefs that our work with orphans began in Baron Palace Sahl Hasheesh. We hope that our work brings awareness for the need to maximize all efforts to draw the smile on those orphans' faces.

Donations to Charitable Associations

In Baron Palace Sahl Hasheesh we believe that the one who donates willingly and happily reaps more benefits than the one who donates under pressure or with the expectation of return. We train our staff that Charity is to give to others that which belongs to you. When you give to charity, you experience happiness because when you let go of something that you love, you give happiness to others.

Our donations program includes moral and financial aids to the local associations around us either in Hurghada or Safaga.

Clean Environment

Keeping your community clean and well-kept can sometimes feel like fighting a losing battle. It can be expensive and time-consuming, and it can take an exhausting amount of commitment. But in the end, keeping your community roads in good condition can be as simple as keeping them swept, and it will be well worth the time and energy. Healthy and clean community, this is our main concern in Baron Palace Sahl Hasheesh, with the continued efforts of our staff and voluntary guests we arrange a monthly Cleanup days to clean the surrounding areas, roads, and beaches
