MASSAGE TREATMENTS

Hot Stones Therapy

Traditional holistic massage technique from Bali, hot basalt stones are the highlight of this incredible full-body massage which not only gives physical relaxation but also brings back harmony to the soul.

Abhyanga Massage

Abhyanga - the technique of caring hands. Gentle, beneficial hands, to help you relax and let go. Abhyanga is a wonderful way of reviving and harmonizing the whole body. The whole body is massaged with warm sesame oil and strokes full of feeling. Experience deep relaxation and feel stress disappear. The body's tissue will be firmed, smoothed and will be able to resist stress and strain once more. The body also gets rid of toxins.

Wellness Massage

A treatment for unlimited well-being! Treat yourself to relaxation and well-being during a wellness massage with aroma oil (your choice). Your whole body is massaged with pleasant pressure to top it off.

Traditional Thai Massage

2500 years old Asian massage technique without oil done on the mat. The therapist works on your energy lines with pressure and gently stretching to increase flexibility and balancing your body, to unblock, energize and disperse energy.

(Please wear comfortable clothes).

Aroma Massage "Classic"

During this massage you will be pampered with pure almond oil, enriched with subtle flavor essences. The different fragrance blends have a stimulating or soothing effect to balance the senses and relaxes the mind.

Oriental Massage

A deep tissue massage with stretching movements helps to release all tension in your body, the therapist is using forearms and elbows for deeper pressure to work also on acupressure and trigger points to get rid of pain and tension.

Abhyanga and Indian head massage with warm sesame oil.

HAMMAM RITUALS

Arabian Hammam (80 min.)

Rhassoul Bath Ritual (for two)

The oriental Ritual is a combination of a steam bath, a body scrub mask and clay, promoting blood circulation which deeply hydrates the skin. Imagine you and your partner or closest friends painting mud on each other. Then shower away the clay leaving your skin soft, smoothed and cleansed

Turkish Bath Hammam Ritual (80 min.)

This traditional ceremony has evolved over thousands of years. Whilst you're lying down on heated marble dressed in a traditional waist cloth, the Therapist works to exfoliate your body with soap foam scrub called "Kese". Forget all about everyday life and enjoy this cleansing ritual with traditional Egyptian products. The natural Rasul clay mask helps to detoxify the body and re-mineralize the skin, followed by a steam bath this is a perfect preparation before the soap suds massage. Special Egyptian heros are rubbed into your skin to round off the treatment, leaving your skin with a nice feeling of being refreshed and clean.
