SAFETY AND SECURITY INSTRUCTIONS

Baron Palace Sahl Hasheesh is equipped with a fire detection system and our staff members are trained to respond to any emergency situation. For your personal safety and comfort, we kindly ask, that all guests spare a few moments to read the emergency procedures outlined in this section.

Please plan ahead

- In case of fire, smoke may reduce visibility.
- Study emergency route located inside the room closet.
- Determine the locations of the nearest two exits, fire alarms and extinguishing equipment.
- Keep room readily available.
- Determine how to switch off the air-conditioning.
- Keep the room keycard in a handy position near the bedside.

If you detect a fire

- Try to remain calm.
Immediately call the resort's "One touch service"

If alerted to a fire

- Determine, if it is safe to vacate by looking through the door viewer or opening the door slightly.

If fire and smoke conditions are reasonable

- Take your room key.
- Close the door behind you.
- Walk or crawl to an exit.

If conditions require you to stay in the guest room

- For extinguishing and wetting purposes fill bathtub or other containers with water.
- Prevent fumes from entering your room through vents, openings or from under doors, plugging them with wet clothes.
- Alert staff and authorities to your room number.

If there is smoke in the room

- Stay low and hold wet cloth in front of your mouth.
- Don't break windows unless necessary, since you may cause smoke or fire to enter the room.

Security

- If the room key is lost or stolen, report to the Front Desk immediately.
- Double lock your door from inside, while occupying the room.
- Be sure the door is locked and secure opening to the balconies before retiring or leaving the room.
- Never admit repairman without checking with the management.
- Never admit persons with unsolicited deliveries.
